Meridian Angel Primary School
Part of a Church of England Trust

'A safe and inclusive community deeply rooted in God's love.'

LDBS Academies Trust

Meridian Angel: Summer 1, Reception Ankara

Communication and Language

We will be focusing on the sentence stem "I would like to" this half term. It would be great if you could practice this at home as well.

We will be discussing and looking in depth at Life Cycles, Minibeats, Planting, Plants/Flowers, Friendship and Earth day. We also look forward to performing as a whole class in our special assembly.

Little Wandle rhymes/transition rhymes.

Personal, Social Emotional Development

We will be looking at friendship this term. We will define what we think it is and how we can maintain good friendships. We will still be using our zones of regulation chart and discussing different strategies we could use to get back to green.

We will continue to attend both collective worship assemblies and achievement assemblies each week.

What can I do at home to make my child be ready? How can the environment help with our wellbeing?

Coats, shoes, jumper, book bags and water bottles.

Try to encourage independence whenever possible e.g. looking after our own items. Packing up and clearing up after ourselves.

Physical Development

Children will be learning good practices in regards to staying healthy such as eating nutritious foods, getting enough sleep, brushing teeth and staying active.

We are going to explore the physical side of gardening and planting.

In P.E children will be learning how to control their body movements and move in different ways whilst negotiating space and avoiding obstacles.

These skills will be developed through a range of individual and group games.

Literacy

This term our focus text will be The Little Red Hen. The children will be learning new vocabulary from the text whilst exploring story language and time connectives.

They will also have the chance to sequence the story and create a story map with the Teacher.

We will be continuing with our dictation lessons where we will recall and write a simple sentence. We will be continuing our Phonics scheme and also our handwriting practice.

Maths

Counting, ordinality and cardinality
Counting – larger sets and things that cannot be seen

Subitising
Subitising – to 6, including in structured arrangements

Composition
Composition – '5 and a bit'

Composition
Composition - of 10

Size, Mass & Capacity (2)
Compare mass (2)
Compare capacity
Compare length (2)

Expressive Art and Design

This half term we will be looking at experimenting with a range of painting tools, thick, thin, tooth, brushes, fingers etc. - seeing the effect it can make. e.g. to create the sea with a comb and paint.

We will also be looking at patterns, repeating shapes, Primary colours and we will start looking at secondary – (colour mixing).

Understanding the World

We will be looking at Healthy Me and Relationships. We will explore how to maintain a healthy mind and a healthy body. We will also be looking at how to maintain good relationships with our peers.

We will also be planting flowers and vegetables in our garden. We will explore how we keep them healthy and what we need to do in order to achieve this. Our Garden Centre Role play area will also allow us to explore this further.
